**First Information Letter**

The NLC «Buketov Karaganda National Research University» invites you to participate in the *International Scientific Conference "Fundamental and Applied Issues in Mathematics, Mechanics, and Computer Science" dedicated to the 70th anniversary of Professor A.R. Yeshkeyev*. The conference will be held **June 3-4, 2026**, at the Faculty of Mathematics and Information Technology of the NLC «Karaganda National Research University named after academician Ye.A. Buketov», Karaganda, Kazakhstan.

**The conference will be organized into the following sections:**

**SECTION 1.** Algebra, Mathematical Logic, and Geometry

**SECTION 2.** Function Theory and Functional Analysis

**SECTION 3.** Differential Equations and Their Applications

**SECTION 4.** Current Issues in the Education and Translation of Scientific Terminology

**SECTION 5.** Applied Mechanics and Robotics

**SECTION 6.** Information Technology, Artificial Intelligence, and Machine Learning

Conference proceedings will be published in electronic form.

The conference program includes plenary and sectional presentations in Kazakh, Russian, and English.

The conference will be held in a hybrid in-person and online format using videoconferencing.

Conference format:

- Plenary lectures by leading scientists;
